## February Director Report

### **Jan/Feb Director Meetings Updates**

- **INP call 2/3**- Spoke with Tara the plan is to get details about the rural development grant, who has access to the county's SAM.gov account, and what the process would look like to apply, what support we would have if it was a loan, etc.
- **CCLF Annual Meeting 1/29**- Janet Rose-Perrenoud is President, Audry Alfson VP, Kim Canete Sec, Donna McConnell Treas. Lots of turn over with Rose Mary and Katherine both leaving. Kim will be up for her term the end of this year.
  - *Friends of the Library* are working on a possible float entry in the Gold Discovery Day parade. It would be wonderful to have board member walkers if you are interested.
- **SDSL Quarterly update**- No legislative update (as of that moment). They will be giving quarterly updates since the state library board was disbanded, they want to get updates out this way.
- **Update from Luci Mile UP marketing** – Answer to questions from talking with Luci, we should be good to proceed.
  - *With the planned upgrades we will get you to the required standard. However, the next release will be WCAG 3.0. It's expected to do a formal release in 2028. Then, there is a several years lag time between official release and compliance standards. The work done this time around will get you through April 2027, at the very least. So, nothing will come out between now and April 2027 that is required before April 2027. There will be years lag in between.*
  - *Sarah will get a formal request to pay Mile Up Marketing for proposed changes to the website.*
